

Small Business Express Loans

Is your business in need of a small loan to help purchase new equipment or professional services?

Call Venture Niagara to see if we can help.

Our Small Business Express Loan can provide your company with up to \$10,000. This money can be used to purchase a variety of goods and services for your business.

Do you need a new computer, some software or technical training to keep your business competitive? Or, maybe your company just got a new contract and you need to purchase supplies to get started with the job. Or, you might need to update the company website and print new display materials for trade shows but it's not in your budget right now.

How to Apply

Complete the *Small Business Express Loan* application found on our website.

Call to set up an appointment – we will meet at your business or at our office. It's up to you.
